## FEATURED SPEAKER

The theme is "Five Vehicles for a Vintage Marriage" and the keynote presenter will be Dr. Tim Thayne, Founder/ Executive Director of Homeward Bound.

Have you noticed? Everything vintage is in. You see it in clothes, jewelry, furniture, music, etc. In this 90 minute workshop, Dr. Thayne will discuss, challenge, and have members of the audience contribute their thoughts on what makes a Vintage Marriage a Valuable Marriage.

Come prepared to:

1. Celebrate milestones and plan for longevity in your commitment
2. Be honest about your strengths and weaknesses as a couple
3. Ask questions and envision your own "Happily Ever After" story

This year, the format will be more of an interactive, hands-on workshop, rather than a straightforward lecture. Bring your own note taking tools and come prepared to actively participate.
